

GOD HAS NOT WITHHELD THE CURES

I believe, as much as I believe in Father, Son and Holy Spirit, that God has not withheld the wisdom for the cures for the so-called incurable diseases. God's Word is absolute truth whether you believe it or not. His Word says in James 5 that if any man lacks wisdom to ask of Him and HE WILL give wisdom without reproach, IF, we doubt not. God has not withheld the cures. On my web site I share the wisdom from Doctors who turned to God for wisdom.

I determined in my heart in 1988, that I wanted to know all there is to know about cancer. I will not bow down to the fear of any disease when I have a God who is able to heal His creation. God created us from His Breath and nothing is too hard for Him. He formed us in our mother's womb, but it is His breath that gives us Life. He is the Word that was with God and is God and In Him we live and move and have our being. He saw our substance (His Word about us) before He formed us in our mother's womb. He is LIFE and His LIFE is the light of all men. Not all men "know" Him, but apart from Him we can do NOTHING. Only a fool says there is no God and the foolishness of evolution limit's the minds of our medical researchers, thus they don't know the cause or the cure.

I seek the wisdom of "good" doctors who know the cause of cancer and also know the cure; I then apply that wisdom in my own life to prevent cancer. Good doctors are those who acknowledge God and His Wisdom in everything, to include medicine and research.

Unfortunately, the good doctor's cures are withheld from YOU by those who push drugs only, and if your hope is limited to the health care system, you are only limiting yourself by choosing to believe the lies and fear tactics that push

drug sales, but not healing. Seriously, do you not wonder why decades are passing and yet cures remain elusive?

Drug companies have a dangerous conflict of interest in research and skew the results that favor drugs, which are killing hundreds of thousands each year. The FDA has a dangerous conflict of interest with the drug companies and the FDA is not protecting the public from dangerous drugs. When medical journals admit to over 200,000 deaths a year from properly prescribed drugs and practices, and the FDA does NOTHING, this is a clear marker of fraud. When the FDA spends millions of our tax dollars trying to destroy the natural health food industry, where there are NO DEATHS, this is another clear marker that the FDA is not only wasting our tax dollar, but also exposing their conflict of interest. The FDA is allowing drug companies to kill thousands without doing a thing about it.

The medical science is limited to evolution theories and godless science violently rejects doctors who dare bring cures to the table of medicine. Every doctor who cures cancer is severely persecuted, losing their license and sometimes their life. A recent case of an oncologist who is curing cancer is Dr. Simoncini using his baking soda cure.

God's Word says He will use the abase things to confound the wise. Baking soda is so cheap and so available it can be considered an abase thing. Baking Soda is the David to the Goliath of cancer. Baking Soda chops the head off of the giant that has put fear in the people.

Because of the persecutions of doctors who are curing cancers, the cures are being withheld from the people who have put their hope and trust into the research. Searching for a cancer is the mainstay of cancer funds. Finding a cure will stop the funding, thus all cures are violently blocked. The public is deceived by the over used lie of "insufficient evidence," even without investigation. A clinical study with hundreds of cured patients is insufficient evidence? Now with baking soda, you can do your own clinical study at home! Your body is the perfect laboratory and the results cannot be taken away from you no matter how many times they tell you that your healing is not provable because of insufficient evidence.

Why are these cures being withheld? Take a look at our economy and you can see the answer clearly. We are being held bondage to the drug companies. The insane cost of health care is the result of withholding the cures and creating mass fear and hysteria over cancer. Our economy and nation is at risk because of health care costs.

Drugs only provide short-term symptom relief, while many more symptoms are the side effects of the drugs. Then more drugs are added to the degree people are taking more drugs than their body can handle. Thus organs are overworked and the new solution for that side effect is organ harvesting. It is a horror story even for those who receive the organs, as now they are limited to a life of spending thousands of dollars a month for immune suppressing drugs.

All organ transplants are rejected and that is why they need immune suppressing drugs. If the people will just get off of the drugs in the first place, their failing organs will heal as God heals constantly. Drugs block healing and create more symptoms called side effects.

Medical Journals admit to over 200,000 deaths a year from properly prescribed medications. How many do they NOT admit to?

I have been to hospitals in Mexico where cancer cures are known and used and successfully. I have talked to many people who are cured of cancer. You can visit www.cancervictors.org if you would like to talk to real people who were cured using safe and natural cures. The survival rate of the natural and safe cures is far higher than the burn, poison and mutilate therapies in the US.

Why not try safe first, what is the rush? It is a lie that you have to rush to take cancer-causing drugs to save your life. FEAR is a tool used to force people to choose dangerous drugs, against their good judgment and common sense. God does not use fear to move you. Following wisdom that is without hypocrisy is wisdom from above. God is not a hypocrite who harms you in order to heal you. God has not withheld the cures.

I have also met and read about many people who were cured using “home remedies” from grape cures to blackstrap molasses cures. The common denominator in all cures is God heals. The Body does not heal itself, as it is not an entity. God is the source of life of the body, for in HIM you live and move and have your being. His wisdom in your innermost part (DNA) is the MIND OF CHRIST and only He is able to orchestrate the trillions of cells with billions of interactions. Healing is because GOD IS. The DNA is the living breath of God about YOU, not a program. ONE DNA governs the trillions of cells in your body. You are ONE DNA, a God breathed Word. You are the offspring of God!

You may reject God, but He has never rejected you. He loves you so much He sent His only Son to pay the price for all sin. He did not come to condemn you,

but to save you. You choose to be reconciled to God ONLY through Jesus Christ, or you choose to be “god” through vainly imagining you can earn God’s favor. We already have His favor, but forgiveness can come only by the BLOOD of Christ and the Word of our testimony that Jesus is our Lord. When you leave the body, the body returns to dust, but you will spend eternity separated from God if you have not reconciled through Jesus Christ. It is God’s Way, not a way made up by man.

His Word is in our DNA and every CELL is a replica of His Word about you. Your physical death means YOU are free of your body, and you have your memory free of your natural brain. You are ONE DNA, a God breathed Word, the substance God saw before He formed you in your mother’s womb. Even godless minds wonder why transplant recipients are having memory that belonged to the organ donor. The DNA has memory, not just instructions.

The Word of God created all things and nothing that was made was made apart from His Word to include every new cell. When you see a little cut on your hand heal, it is not because the body heals you, it is God’s Word heals you. Every new cell is a creative power of God’s Word for NOTHING that was made was made apart from His Word. The body is not an entity. You choose whom you will serve, God or self. Self leads to death and destruction. God is light, and the light that communicates between every DNA in trillions of cells with billions of messages being sent and received by each cell is God communicating LIFE and healing.

The imperfections in the natural are not from God, but the nature of sin and the destruction it brings. It is the sin nature within that leads men to self-destruct through diet, drugs and abuse of God’s Temple. You could be suffering from the effects from generations past, but you are always able to start right from where you are to receive the grace and mercy of God through repentance, forgiveness and believing. Believing, whatsoever you ask you shall have.

The truth is this, ONLY, God heals, and healing happens when we clean up the cellular environment giving our cells proper PH, cleanliness, oxygen, water and nutrients. Cellular communications cannot be manipulated without causing perversions, destruction and even death. Drugs block normal cellular communications as do toxins, malnutrition, dehydration and the fungus, inflammation and rotting of flesh that follows. Miracle healings are through faith filled Words that have the creative power of God to heal, create new organs, limbs and even raise the dead.

Dr. Simoncini has solved the puzzle of cancer. The same thing that cures cancers pretty much takes care of most all of the other problems as well

I never lost hope to know the truth about cancer no matter how many people wanted to discourage me. I know because I know that God is bigger than man's science. Most all of medical science begins with don't know and ends with don't know with a lot of godless nonsense in between.

I serve a God of hope and I have never put my hope in a cancer foundation that rejects God and His wisdom. I have NEVER believed that war time chemicals like mustard gas (chemo) or radiation were necessary evils to get well. I cannot give a dime to godless cancer research because God has already given us the cures. Drug pushing research is ONLY all about research funds, not cures.

I refuse the state of hopelessness that the "health care system" preaches. I reject the lie that it is wrong to give people hope for a cure. Those who follow the hopelessness of those who do not even know the cause for cancer usually just give up. Hopelessness depresses the immune system. Emotions are just as important as nutrition. Fear, hopelessness, anger, greed, bitterness are all negative emotions. Life is in God's Word, love, joy, peace, and all positive emotional energy. For example, God's Word says laughter is as medicine and envy rots the bones.

Cancer is No Longer a Mystery

Dr. Simoncini completed the puzzle to the cancer mystery. His research unveiled the main cause of cancer. Cancer as with any disease has a cause. It is a must to understand the cause in order to know the cure. The following is a short synopsis of cancer and its cause. You can do further research by learning about the researchers I mention. You will find many doctors who cure cancer on my web site www.cfhsm.ws

1. What is cancer? Cancer is your own cell that cannot breathe (respiration), so it divides in an anaerobic state. Dr. Otto Warburg's research proved this. One point to keep in mind, Our cells do not, even in a cancerous state, travel to other cells and grow roots and colonies, thus cancer cells cannot metastasize. So what is it that travels, grows colonies, forms roots and robs cells of breath? FUNGI! Where there is cancer there is FUNGI! Get rid of FUNGI then cells can breathe and Dr. Koch's ([williamfkoch.com](http://www.williamfkoch.com)) research proves cancer cells will revert to normal if the cell can breathe. www.williamfkoch.com

2. What causes cancer? If a cell cannot breathe the cause can be numerous, yet the results are the same. If a cell cannot breathe there are many variables, but the same result, cancer. But with all cancers, there is fungi! Fungi choke the breath out of the life of the cell.

A. Immunity: Varies depending on the nutritional support the cells receive and how free the cells are able to communicate.

B. Toxins vary in form, but can be from foods, air and water, as well as fluoride in the toothpaste and how much your body is able to process out before it is overloaded.

C. Water levels vary with each person as it depends on their water intake. Dehydration is a common factor in most all diseases. If the blood is dirty, it is not a disease; it is because of toxins, fungus, bacteria, etc. along with not enough water to clean the cells.

D. Attitudes are a factor because emotions affect the immunity of the body. Anger, depression, hopelessness and other negative emotions suppress the strength and motion of cells thus the immunity of the body.

E. Foods affect the body because each food has cells that have nutrients that our cells need, and we need a variety of foods. Foods also need to be filled with their own living enzymes. Many foods are devoid of enzymes because they are over heated and over processed. Foods are also filled with chemicals that the FDA says are safe without considering the cumulative factor.

F. PH Balance is probably one of the MOST important factors and that is one of the reasons that baking soda cure is so powerful. Baking soda also kills fungi and the fungi can't adapt to the baking soda and use it for food like it does with chemo, anti fungus drugs, etc.

G. Ignored factors in cancers are fungi and parasites. These factors exist because first the environment of the cells was compromised giving fungi a place. FUNGI can be the culprits, as can parasites, but they both need the sick environment to start their own colonies. They choke the life out of the host. Fungus is a parasite, as are viruses. If we rid the body of FUNGI and parasites, and the toxins that give the FUNGI and parasites a place, then our cells can BREATHE, return to normal and LIFE and HEALING is because God is.

Healing is continuous and our job is to remove the garbage that blocks healing to include toxic medications.

Healing is because God IS. We must believe that HE IS in order to activate our faith in His Word, TRUTH. His Word has everything that we need for LIFE and Godliness, but we must believe and then our FAITH moves God. The ONLY power that heals is God. We can remove negative emotions, and energies through our repentance and forgiveness of all because forgiveness is MANDATORY in the Kingdom of God. We will not be forgiven, if we do not forgive others.
