## Introduction

### GOD OF THE DNA

God of the DNA is a book about how to test what man observes about creation with the precepts of God's Word. Apart from God man can do nothing. It is impossible to understand the DNA apart from God's Word. God said we are wonderfully and perfectly made. It is foolishness to seek wisdom about the created things with the vain and carnal imagination of evolution that says there is no creator?

All of creation is laid naked before the eyes of God. There are no mysteries and no secrets hidden from God. In Christ Jesus are hidden all of the treasures of wisdom and knowledge. God Word tells us that if any man lacks wisdom, let him ask of God. We must ask BELIEVING THAT HE IS. If we ask and doubt, then we doubt that HE IS and we are double-minded. He says a double-minded man is unstable in all of his ways and will receive NOTHING from the Lord.

God is the creator of the universe, the earth and all that is in them. God is the God of the DNA. The mysteries hidden in the DNA are found only in CHRIST.

*John 15:5*

*"I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing.*

*James 1:5-8*

*If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him. 6 But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. 7 For let not that man suppose that he will receive anything from the Lord; 8 he is a double-minded man, unstable in all his ways.*

I wrote this book, God of the DNA to encourage all men to humble themselves before God IN ALL OF THEIR WAYS to include education, science, health matters, medical research and all sciences. Science has overthrown the theory of creation with the theory of evolution. The carnality of science has limited all science and research to the futility of the vain imaginations of man seeking to exalt his own wisdom above the knowledge of God. The Lord uses foolish things of the world to confound the wise, thus I am being used to write this book to declare that HE IS THE GOD OF THE DNA. In God's Word is everything we need for life and Godliness. God's Word is our source of truth. If a theory is contrary to the wisdom of God it is earthly, sensual and demonic wisdom. God will not withhold any good thing from His children. The MOMENT Christian's begin to understand the

**created things using God's Word; cancer cures will no longer remain elusive to the Body of Christ. The cure has always been with us, but because man seeks man for answers, their eyes have been darkened.**

***Prov 14:15-16***

***The simple believes every word (of evolution), but the prudent considers well his steps. A wise man fears and departs from evil (lies), but a fool rages and is self-confident.***

## Chapter One God of the DNA

The DNA is NOT a program that can be manipulated by men. A way seems right to man, but its end leads to death. God's DNA is HIS WORD about creation. His Word is written in HIS BOOK about creation. The BOOK of LIFE that God wrote is manifested in the natural as the DNA. God's Word is SPIRIT and LIFE and the DNA is God's Wisdom manifested in the flesh. Nothing that was made was made apart from HIS WORD and every new cell in creation is created BY HIS WORD. Man cannot dissect God's Word and rewrite God's Word about creation to fix the ignorance of man's self-destruction. Man self-destructs because man attempts to live APART from God's Word, making self an idol.

Man like satan says, "I will be like the most high God". When men deny the creator, men are fools. God's Word says, "A fool says in his heart, there is no God." Knowing God is a HEART ISSUE. Those who believe that HE IS in their heart. It is not just a confession with the mouth; it is a belief in the heart. When man believes in his heart, then man will confess with H is Mouth that JESUS IS LORD. One day all men will bow their knees and will CONFESS with his mouth that JESUS IS LORD. Sadly, for those who make that confession after they experienced the first death have no hope for eternal life with God in that confession.

Apart from Him (the Word) there is no life. Eternity apart from God is the second death. God's Word is a living Word and the giver of life. For IN HIM, (HIS WORD), you live and move and have your being.

### *Acts 17:24-29*

*"God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands. 25 "Nor is He worshiped with men's hands, as though He needed anything, since He gives to all life, breath, and all things. 26 "And He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings, 27 "so that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us; 28 "for in Him we live and move and have our being, as also some of your own poets have said, 'For we are also His offspring.' 29 "Therefore, since we are the offspring of God, we ought not to think that the Divine Nature is like gold or silver or stone, something shaped by art and man's devising.*

### *Ephesians 4:4-6*

*There is one body and one Spirit, just as you were called in one hope of your calling; 5 one Lord, one faith, one baptism; 6 one God and Father of all, who is above all, and through all, and in you all.*

*Proverbs 2:3-9*

*Yes, if you cry out for discernment, and lift up your voice for understanding, if you seek her as silver, and search for her as for hidden treasures; then you will understand the fear of the LORD, and find the knowledge of God. For the LORD gives wisdom; from His mouth come knowledge and understanding; He stores up sound wisdom for the upright; He is a shield to those who walk uprightly; He guards the paths of justice, and preserves the way of His saints. Then you will understand righteousness and justice, equity and every good path.*

Godless men look to the created things to find the answers about life. Man can see what God made with their natural senses, but their spiritual senses are darkened. They cannot UNDERSTAND what they observe about creation. They create theories such as evolution to hide themselves from the eyes of the all-seeing and all-knowing God. They exalt themselves through intellectualism. Believers wonder “How can any sensible person believe a theory as unbelievable as evolution?” But God’s Word gives us the answer to that question. He makes them believe a lie.

I asked God, “God, don’t you want them to know the truth? Why would you make them believe a lie?” He took me to this scripture which emphasis, “BECAUSE THEY REJECT THE LOVE OF THE TRUTH”. God’s sends them a STRONG DELUSION. Evolution is so unbelievable; it would require a strong delusion to believe evolution. I will never forget in high school when my biology teacher began teaching about evolution.

*II Th 2:9-12*

*The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, 10 and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. 11 And for this reason God will send them strong delusion, that they should believe the lie, 12 that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.*

My biology teacher began teaching my class about evolution. It was so incredulous to me, that I boldly raised my hand to complain. I told him that I could never believe such a thing. I complained that I knew I did not come from a monkey and neither did my ancestors. It would be easier to believe in Santa Clause than evolution. I did not make a very good grade in biology that period. When we studied genetics I did very well and I could relate to God’s Word in the lineage of genes. Genetics amplified how wonderfully and perfectly God created man. Apart from God’s Word even the study of the genetics is limited to the vain imaginations of men. However, when a man seeks God’s wisdom about the knowledge we study about genes, God shares the treasures of wisdom and knowledge hidden in Christ. There are wonderful revelations available to man. Man has not because He asks Not.

If we asked God for a cure, will he withhold the cure? He is the Cure and there is wisdom to walk in divine health. God's Wisdom gives man understanding of the knowledge that we study.

The godless science that is attempting to understand the DNA is NOT going to give man the answers to the CURE for disease. God is all and in all and all things come from God, through God and returns to God. The Human Genome Project is robbing the nation of wealth, while the cure remains elusive. The Stem Cell research is a facade for the greed of a godless science to grow human babies for the harvesting of their organs. Organ transplants are big business.

God's wisdom is pure, and there is nothing pure about the Human Genome Project, cloning or stem cell research. Fear is the manipulating power of witchcraft used to control the masses by the sorcerers of pharmaceuticals.

There are no mysteries about the DNA to God. God's word says that all of creation is laid naked before His Eyes. When Christians stop chasing the idol of medical science and turn to God, then Christians will have the answers for the CURES. God is not mocked, Christians are just as sick as the ungodly because they seek the wisdom of the ungodly. Fearing man is a trap. Fearing cancer is a trap! There are Christian doctors, scientists and researchers ready to tell the truth about cures, but Truth is hidden from those whose eyes have been darkened because they chase after idols.

God is a consuming fire and if God removed Himself (His Spirit) from Creation it would all return to Him as a consuming fire. Just as when an Atom is split we experience a consuming fire. I asked the Lord, "What is the Atom Blast?" His reply to my spirit was this, "It is a drop in the bucket manifestation of myself, I am a consuming fire." God is not mocked and God opposes the proud. Evolutionary science mocks God. God opposes the pride of those who research under the themes of evolutionary thinking. Evolution denies there is a God and evolution is antichrist. God is the God of the DNA and the answers to life are not FOUND in the DNA, but in HIS WORD. The DNA is God's Word about creation. The DNA does not hold the wisdom of life, it is God's LIFE filling creation. God is all and fills all.

## *Chapter Two*

### **WHAT IS SCIENCE?**

#### ***HOW TO DISCERN BETWEEN EVOLUTIONARY SCIENCE AND GOD'S SCIENCE?***

Science only means, "to know."

To know about creation apart from the creator leads to men to self-destruct because their carnal and vain imagination exalts earthly, sensual and demonic wisdom above the knowledge of God's Word. True science is to seek God, the all-knowing and all-seeing source of wisdom. FOR IN CHRIST are hidden all of the treasures of wisdom and knowledge.

*Prov 14:12*

*There is a way that seems right to a man, but its end is the way of death.*

*Isiah 65:2*

*I have stretched out My hands all day long to a rebellious people, who walk in a way that is not good, according to their own thoughts;*

God's Science is to acknowledge God's Word in ALL that we do and HE WILL MAKE our path straight. His WORD is health to our flesh and strength to our bones.

We do not have a drug shortage in our cells. Would God destroy cells with toxic chemicals that only block symptoms? God is not a hypocrite and His wisdom is pure. Evolution is not pure and evolution lacks all of the attributes of God's Wisdom. The theories of evolution are lies that rebel against God's Word.

Christians should stand up for their right to be free from the lies of evolution because it limits science to carnal thinking. It is unconstitutional to force God Fearing Bible Believing scientists to limit knowledge and understanding to the theory of evolution.

The wisdom of the world is opposed to the wisdom of God. Apart from God it cannot find truth. Science is NOT a source of truth. God's Word is the foundation of truth for science. Science that contradicts God's Word is a lie and those who believe the lie will reap destruction.

*Proverbs 3:5-8*

*Trust in the LORD with all your heart, and lean not on your own understanding; 6 In all your ways acknowledge Him, and He shall direct your paths. 7 Do not be wise in your own eyes; fear the LORD and depart from evil. 8 It will be health to your flesh, and strength to your bones.*

God is the Cure and the DNA is the Word that constantly heals. FOR IN HIM (THE WORD) you live and move and have your being. The living Word of God about you in the DNA is the creative Word that created you from ONE DNA. The DNA is constantly creating new cells to give you life in HIM. God's Spirit is the Master Controller of every cell. There are NO CURES for only God can cure. Science should not be looking for cures, but for the wisdom to promote a healing environment.

Discernment must be used in all healing modalities. All wisdom must pass the test of Godly Wisdom as described in James 3:17-18.

**James 3:17-18**

But the wisdom that is from above is first pure, then peaceable, gentle, willing to yield, full of mercy and good fruits, without partiality and without hypocrisy. 18 Now the fruit of righteousness is sown in peace by those who make peace.

Cancer Research fails the test of Godly Wisdom. It declares war on cancer and treats the human body like a battlefield, hoping to kill the cancer before it kills the patient. In 1971, several doctors convinced President Nixon to use a President's Executive Order to declare war on cancer. They convinced him he could do that because cancer is a "foreign invader". They deceived a whole nation through FEAR of CANCER to use a deceptive executive order to spend TAX DOLLARS on research without legislative approval. The first lie was the term foreign invader. Cancer is not a foreign invader. Cancer cells are your own cells that cannot breathe, so they divide in a fermented state. Dr. Otto Warburg is a Jew who won two Nobel Prizes for his research that proved disease cannot exist in a cell that can breathe. Oncologists are not being taught about Dr. Otto Warburg's research.

God creates, God heals and God gives us wisdom. It is godly wisdom to keep your cells clean and well nourished. When the body has been damaged through neglect, ignorance or rebellion, it may require more nourishment and cleansing for new cells to divine normally. The Body does not heal itself, healing is a creative work of God's Word. NO FLESH should glory, all glory belongs to God.

All nutritionists will tell you, "the body heals itself". The Body is seen as a god instead of God's Temple when this is believed. I was repeating this lie, "If you will feed your cells God's foods, the body will heal itself." The Holy Spirit stopped me and said, "That is NOT true." I then prayed and meditated on God's Word and there is NO PLACE in the Bible that says the body heals itself. It is all about God being our healer. He sent HIS WORD for our healing. The DNA is God's Word about you and that is where life and healing is for your body. His WORD is not a program, but a living

Word about you. Healing is a promise paid for by the stripes on His back. Why do we doubt His Word and run to the sorcerers for healing? Because we fear instead of trusting God's Word. We doubt instead of seeking truth in His Word. We ignore the wisdom in God's Word that we are the temples of the Holy Spirit. We have been bought with a price and are not our own. We should present our bodies as a Holy Sacrifice of Worship to the Lord.

But instead we say, "Its my body, I will eat what I want, when I want". It is an area of idol worship that many are unwilling to submit to God. Submit to God, resist the devil and he will flee. Resist the self-destructive dietary habits that are destroying God's Temple, then you will give a place for healing instead of destruction.

It is ungodly wisdom to TRUST science because greed controls science. There are many warnings about drugs, yet they are being ignored because of fear, rebellion, laziness and apathy.

On May 9<sup>th</sup>, 2007, Fox news shared how the drug company that made oxycontin deceived the doctors in saying it was a safe pain killer. It has killed thousands, it is addictive and the only punishment the drug company received for killing thousands was a 632 million dollar fine. What is that when they received billions? I personally know a mother whose son was mentally challenged due to past drug use. Her son was on medications and considered mentally ill. The Mother begged her son's doctor to not give her son oxcontin. She had read about the many who have died from this drug. The doctor ignored the mother's plea and gave the young man in his 20s oxycontin. The family was unaware of the prescription that was given to her son until they found him in his apartment dead still sitting up on his couch with the TV on. He had been dead for at least three days. This tragic loss was unnecessary. Nothing happened to the drug companies or to the doctor.

God's wisdom must be applied in the use of legal drugs. Why is there no public out cry against the drug companies?

The FDA is not protecting the people from dangerous drugs because prescribed drugs are listed as the third cause of death in the U.S. The FDA spends a lot of time attacking the competition to drug companies. You can read the latest about the FDA attacks on natural alternative healing modalities in the appendix.

I am not a doctor, nurse or even a certified nutritionist. But I do have 19 years of research and study about the different safe and natural healing modalities. I have talked to many doctors and many patients. I have read about most all of the natural healing modalities. Godly Wisdom must be applied to all natural healing modalities as well. There are religions that

are not of Christ that teach idolatry and witchcraft in healing. Everything that looks good is not good. Always, it must pass the test of God's Word.

One of the natural clues that you are not walking in Godly wisdom in health matters is that you have spent all your money on the physicians and are only all the worse. Demonic natural alternatives come with evil side effects that come from the spirit of idolatry and infirmities.

Christians would be wise to take responsibility for their own health and study to show themselves approved. It is Godly Wisdom to seek NOT the counsel of the ungodly.

*Mark 5:25-27*

*Now a certain woman had a flow of blood for twelve years, 26 and had suffered many things from many physicians. She had spent all that she had and was no better, but rather grew worse. 27 When she heard about Jesus, she came behind Him in the crowd and touched His garment;*

It is Godly Wisdom to believe it is God's Will for you to be healed. God's Will is for healing because His Word says, God's Will be done on earth as it is in heaven." God's Word says, "I am the God that heals all of your Diseases", "I sent My Word for your healing". Are there tormentors and disease in heaven?

The truth of God's Word will lead men into all truth from salvation issues to health issues. We are commanded to be led by the Spirit of God IN EVERYTHING to include health and science. We are command to test very spirit. We are worthy to receive the promises of God because Jesus Christ bought us with the price of His precious blood. We are the righteousness of God in Christ Jesus. We are sons of God because we are led by His Spirit. Those who follow the wisdom of the world do not know God and cannot even obey God because the flesh is at enmity with the Spirit of God.

When God led the people out of Egypt, He not only delivered them from their slave master, but there was NONE FEEBLE among them. In Christ we are delivered from our slave master (satan) and in Christ is the power for healing all of our diseases. Disease no long has a legal hold on God's people. But because of lack of knowledge God's people are destroyed.

*Romans 8:14*

*For as many as are led by the Spirit of God, these are sons of God.*

*Ps 105:37*

*He also brought them out with silver and gold, and there was none feeble among His tribes.*

It is not Godly wisdom to be led by your fears. Fear of man is a trap and to not stand up for God in science is a trap. God did not leave the wisdom of the created things to be figured out by men who deny His very existence. All of creation is laid naked before God and there is NOTHING in creation hidden from Him. The DNA is no mystery to God and God is willing to share wisdom about His creation to those who will believe His Word and ask. We have not because we ask not.

*1 Jn 2:15-16*

*Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. 16 For all that is in the world-- the lust of the flesh, the lust of the eyes, and the pride of life-- is not of the Father but is of the world.*

God wants to lead us by His Spirit so we can discern what is from God and what is NOT from God. We have to practice righteousness in order to learn how to discern between good and evil. Practicing the works of evolution in science is robbing the Body of Christ of the knowledge and the ability to discern. God is the cure for all. Looking to a godless science to find a cure is Idolatry and puts man at enmity with God.

*James 4:4-6*

*Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God. 5 Or do you think that the Scripture says in vain, "The Spirit who dwells in us yearns jealously"? 6 But He gives more grace. Therefore He says: "God resists the proud, but gives grace to the humble."*

Evolutionary science rages against God and the theory that God created all things. They are self-confident in their vain imaginations about what they observe, yet all research ends with "we don't know". They have become wise in their own eyes and thus have become fools.

*Isaiah 5:21*

*Woe to those who are wise in their own eyes, and prudent in their own sight!*

*Rom 1:20-24*

*For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, 21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. 22 Professing to be wise, they became fools, 23 and changed the glory of the incorruptible God into an image made like corruptible man-- and birds and four-footed*

*animals and creeping things. 24 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves,*

The science and study of the DNA is not as complicated as the godless science of evolution imagines it to be. Although evolutionary thinking men can observe creation as well as the believer, the evolutionary theories lack wisdom from above and they definitely lack understanding that comes only by God's Spirit.

God of the DNA means the DNA is God's Word, a living Word that ONLY God directs. Man cannot manipulate or rewrite the Wisdom in the DNA. Man is not the healer, drugs are not healers, foods are not healers, the body is not the healer, and only Jesus heals by HIS WORD.

Faith in God to heal is sabotaged by an evolutionary health science that rejects God, His Wisdom and the truth that HE is our healer. God's Word is above the "bad report" of worldly wisdom. Every Word of God withstands the test of Truth.

*John 16:33 "These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."*

His Word builds up our most holy faith to believe so we can receive the healing that belongs to every believer. As you read the free ebooks, God of the DNA and God is the Cure, I pray your most holy faith will be strengthened and that you will prosper and be in health as your soul prospers. I also pray that your spiritual eyes are opened to know what is the hope you have in Christ. In Jesus Name, Amen.

## GOD OF THE DNA

### Chapter Three

#### God's Scientists Acknowledge God In All of Their Ways

I share how I began my journey to understand healing in my free ebook, "God is the Cure". I have come to the end of myself in knowing that apart from God it is impossible to really know anything. Science means to know and I call myself, "God's Scientist" because I seek to know about His creation through knowing Him. I know Him through His Word and I learned that God will speak to His sheep who believe that He IS. We must believe that He Is.

God has rewarded me with some awesome revelations that I know because I know are true. I don't expect you to believe what God has shared with me, but I do believe you should always test every spirit to see if it is from God. If we are serving the same God He will not tell you one thing and me another. God's Word explains how to discern the spirit of error. We must be willing to be corrected.

If you feel a need to argue to prove you are NOT in error, that is a clue you are most likely in error. God's wisdom is easily entreated and those who love wisdom, love correction. It is OK to be wrong, but it is not OK when we cannot be corrected. Only God is all-knowing. Please do not presume I believe I am without error. I know only God Himself holds the answer to all truth. I depend on Him, not what I know.

**I John 4:6**

**We are of God. He who knows God hears us; he who is not of God does not hear us. By this we know the spirit of truth and the spirit of error.**

**1 Cor 2:14-16**

***But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned. 15 But he who is spiritual judges all things, yet he***

*himself is rightly judged by no one. 16 For "who has known the mind of the Lord that he may instruct Him?" But we have the mind of Christ.*

*We have the mind of Christ which is 10 times greater than all the wise men who do not have God. His Spirit witnesses with our spirit that we are sons of God. His Spirit will witness with our spirit if we have the truth or hear the truth. When we get a check in our spirit, most Christians presume the check is because the other person is in error. The check can also be the result of a belief system that we have that is in error.*

The check in our spirit could be the demonic lie resisting the truth either of what is being said or what you believe. The key is to be willing to submit to God and be corrected by His Word. Carnal thinking should not negate what God's Word says. For example, "I believe we are healed by His Stripes on his back, but I am not healed so healing must not be for today or for me." That is carnal thinking that negates God's Word through doubt and unbelief. Unbelief is evil in God's sight and we can please Him only by Faith. Let every man be the liar and God be true.

Creating Christ in our soul is God's goal. He did not put you here on earth to become the Holy Spirit. He said we are Christ like. He came to save the world, not condemn it. Many who call themselves Christians believe it is their job to condemn and accuse the brethren. The Holy Spirit brings conviction. We are to build up the body of Christ. You help people as Christ helps you. Does Christ beat you up or does He constantly build you up. His LOVE is what makes you want to love Him back. Your love for Him is why you choose of your free will to obey HIM. He knows we love Him because we obey His commandments.

Understand that when offenses come it is a test for us, not the offender. What offends us is in us. The Holy Spirit convicts us to clean us up. Offenses are much different than God's Righteous anger. God's Spirit will teach you the difference. Righteous anger will have the fruit of righteousness, which brings peace.

When we are offended, we don't fix the offender, we allow God to fix why we are offended. We pray blessings for those who wrongly persecute us. If we don't love, we don't ask God to make the person more loveable, we ask God to expose the hate in our hearts. God will bring people into our life to expose the sins within us so we can repent and be forgiven.

Forgiveness is the heart of salvation. If you do not forgive, you cannot be forgiven. These are laws in God's Word that do not change because God is not a respecter of persons. Gravity works for you just as it does for the greatest apostle. If you do not forgive, your Father in heaven will not forgive you. Just as Christ accepted the Cross and died to himself and forgave, so do we. **DO NOT PRESUME** that means you stay in an abusive

**relationship. That just means you forgive them, but act wisely and get to safety. God's wants us to be built up in our most holy faith, not destroyed by demons in another person.**

**God's wisdom builds our most holy faith as we study precept upon precept. What I learn tomorrow may give me the understanding about what I learned yesterday. One point that must always be considered is that God NEVER speaks contrary to His Word. The Bible is the standard of Truth. If I get a revelation that is contrary to God's Word, it fails the test of truth. Test the spirit and see if it is from God and seek to know for your self if what I share is true. God knows all and He commands us to test every spirit. It is wisdom to not be afraid to be wrong and to test our belief systems. A wise man loves correction. A fool hates correction and if you correct a scoffer, he will try to hurt you through words or deeds. That is why I do not try to prove that evolution is a lie to evolutionists because they believe the lie. They are literally delusional and God made them believe the lie. It is futile to argue with the unbelieving. They have faith in the lie and God has made them believe a lie because they reject the truth.**

## Chapter Four

### Cloning Fails the Test of Godly Wisdom

My study of the DNA began after hearing a lot about cloning on television. I know that God is true and man is the liar. I asked the Lord what is this cloning stuff about? Are you not the only power that creates? Is it not true that NOTHING that was made was made apart from Your Word? I heard the Lord speak clearly to my spirit, "They are lying." I thought, OK Lord, you said they are lying, I choose to believe You, and not all their talk. I don't understand it, but I believe you Lord."

To reinforce my faith in God I repeated, "They are lying" several times to counter all the lying words I heard. They were boasting of false signs and wonders what they shared was deceptive. I then forgot about it and went about my daily tasks.

Television was on and as I was walking through the living room, I heard the news say something about cloning. So I stopped and intently listened to see what they would. They showed an embryo on a pedestal with pressure being applied to it by a pointed object. They said the word cloning until the embryo started to divide, and then they used the word twinning. Then after the embryo divided they went back to using the word cloning. I felt they were being deceptive because forcing an already God created embryo to divide by putting pressure on it hardly fit the category of cloning. I believed the Lord let me see that so I would know how they are lying.

They cloned by twining an embryo? An embryo is a living being that God created. They make claims of transplanting the genes, but I don't believe them. To manipulate (witchcraft) God's creation brings destruction and death. God also gave me the scripture about our days being numbered. If that is so then our DNA is numbered and cannot be made to live past its number of days given by God.

Man cannot create life. The men who protect Evolutionary theories restrict science to the theories of evolution. True discernment comes only from God. It is impossible for me to take science seriously that does not acknowledge God as the creator.

I study what godless minds have observed in science and seek God for understanding. All of creation is laid naked before God's eyes and nothing is hidden from Him. Biology and research are limited to the vain imaginations of godless minds. Science admits it is imperfect, yet demands it be worshipped like a god. No longer is the clergy sought for "MORAL" issues. Psychology, a godless science determines moral issues. Godlessness rewrote the medical books so perverted and twisted minded

people can no longer get help because they are told they are normal and were born that way.

**Quote:** The concepts, principles, and theories that allow people to understand the natural environment form the core of biology, the study of life...A key aspect of biology is simply learning about the different types of living things around you...You might think that biologists have answered almost all the questions about life. Of course this is not true... (Biology, National Geographic, page 3).

Right from the beginning science acknowledges that they do not know all the answers to life and in fact they admit they know very little. They are still looking for the answers to our health questions and they believe it is somewhere hidden in the study of life. The latest study of life has gone from the cell to the study of the DNA and the study of cellular communications.

However, these godless minds admit they do not have NO CLUE as to how to interpret the words seen in the DNA, nor do they understand cellular communications. They imagine that if they have at least 50 years and billions of dollars for research they would be able to begin to understand the 3.5 billion pieces of data seen in a gene. Though they admit they do not know very much about the gene, they plan to do gene testing to tell you your health future. Is this not the same as reading your palm?

Cloning is not good science as it fails the test of godly wisdom. Science only comes up with more questions instead of answers. **Quote:** "To answer questions, biologists may use many different approaches, yet there are some steps that are common to all approaches. The common steps those biologists and other scientists use to gather information and answer questions are collectively known as scientific methods. Scientific methods do not suggest a rigid approach to investigating and solving problems. There are no fixed steps to follow; yet scientific investigations generally involve making observations and collecting relevant information as well as using logical reasoning and imagination to make predictions and form explanations. Scientific methods usually begin with scientists identifying a problem to solve by observing the world around them." **End Quote** (Biology, National Geographic, page 11 & 12).

In a nutshell, godless minds observe creation and make predictions and guesses based on the limited theory of evolution. It takes faith to believe in evolution because there is absolutely no proof that the DNA is a program or for that matter a program that programmed itself.

Evolutionary Science is limited to quantitative and qualitative types of measurement that does not allow room for God's Wisdom. Natural Science is NOT pure because it lacks God's Wisdom and it is full of hypocrisy. Using

natural logic and vain imaginations makes one an enemy of God. If you make yourself a friend of the world, you make yourself an enemy of God.

That is why I refuse to observe God's Creation using the standards created by natural man. Natural man is at enmity with God and God's Ways. How can I understand God's Creation if I do not trust God's Wisdom and Truth found in His Word? God opposes those who are proud in heart and want to use their own imaginations to figure out the answers to life's questions. God opposes the proud but gives grace to the humble.

I believe that God's Scientist's must stop leaning on their own understanding, and should obey God and acknowledge God SHAMELESSLY in all of their ways. If they will just remove the "BUTs" from their faith and stop seeking the wisdom of the world and other gods.

*Prov 3:5-8*

*Trust in the LORD with all your heart, and lean not on your own understanding; 6 In all your ways acknowledge Him, and He shall direct your paths. 7 Do not be wise in your own eyes; fear the LORD and depart from evil. 8 It will be health to your flesh, and strength to your bones.*

The ways of the evolutionists are like the ways of the Egyptians who used sorcery/witchcraft as medicine.

*Lev 18:3-4*

*You must not do as they do in Egypt, where you used to live, and you must not do as they do in the land of Canaan, where I am bringing you. Do not follow their practices. 4 You must obey my laws and be careful to follow my decrees. I am the LORD your God.*

I began to study more about the DNA because my interest began to grow after asking God about the DNA and cloning. I bought the book, DNA 50 Years by Nature's Publishing. In this book they end everything with "we don't know". They are honest in that. But then they lie when they say they will know the answers if they have 50 years to research and billions of dollars.

Here is what man is calling the DNA. They call it the "book of life" and a book that must be interpreted. They call it a program, yet they deny there is a "programmer". They admit they have no clue as to the meaning of the words formed in the DNA. They have assigned an alphabet to the DNA and they even mapped (one gene) that contains 3.5 billion pieces of data.

The amount of data is compared to 5000 books with 500 pages each. I can't imagine there is enough time to interpret the words even if they had the translation for each person's DNA.

This reminds me about what they said about what Christ did. Christ did not just come to earth and pay for our sins and rise again, Christ is the Word of God, of which NOTHING that was made was made apart from Him.

*John 21:25*

*And there are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written. Amen.*

The DNA is God's Word about His creation. He is all and fills all and In HIM, is Life and His Life is the light of all men. (John 1)

*Psalms 139:16*

*Your eyes saw my substance, being yet unformed. And in Your BOOK They all were written\_the days fashioned for me, when as yet there were none of them.*

God's Word fills creation and all of creation is laid naked before His Eyes. The DNA is naked before God's eyes. He wrote the DNA and the DNA is HIS BOOK about creation. God showed me that the DNA is not a PROGRAM, but a LIVING WORD about YOU. Your DNA is SPIRIT. The DNA we see in the cell (the flesh) is a replica of God's Book about you and God directs every cell by His Spirit. The created things are not left as orphans to run on their own. Apart from God we can do nothing. We are only dust apart from Him.

## **GOD OF THE DNA**

### **Chapter Five**

#### **The DNA is NOT a Program**

**The Study of the DNA is not a precise science and the alphabet man has assigned to the DNA is also not precise. The enormity of the information in the DNA alone makes it impossible to believe that man can learn to rewrite the DNA to fix genetic errors or interpret man's health future by "reading" the palm of the DNA. Man cannot rewrite God's breathed Word. Man cannot create life, but he can deform, pervert, twist and destroy life. Man is not a god that he could rewrite and fix what man imagines is an error in the DNA. God's Word is without error. A cell may divide in error, but it will attempt to correct the error with every division. The RNA repairs DNA. Cells need FOOD not DRUGS. Cells need to be CLEAN not TOXIC.**

**I have read science magazines about the DNA and the vain imaginations are nothing less than idolatry. They imagine that the DNA is a program and if they can interpret the program they can REWRITE the DNA to fix the errors in the DNA. They also imagine they can bring a computer to life using molecules and enzymes to perform computer like functions.**

**DNA and gene studies have twisted wisdom about God's creation. The food chain is polluted with Hybrids that are an abomination. These HYBRIDS are not good for the cells of our bodies and God's Word commands us to NOT make HYBIRD foods. Is the creator lying or is man lying? You choose.**

*Lev 19:19*

***"Keep my decrees. Do not mate different kinds of animals. Do not plant your field with two kinds of seed. Do not wear clothing woven of two kinds of material."***

**God is the giver of life and man is only a created being, not a creator of life. The devil cannot even create life and why do men imagine they can exalt themselves above God and not be cast down as satan was cast down like lightning falling from heaven.**

**God's Word is not a program, but rather a Living Word. God uses His word to confirm what is being observed about creation. The Lord had me study about the Human Genome project to learn what men were observing about the DNA. He had me study about cellular communication to understand that cells respond to a light that is seen traveling between every cell. This**

light is the master channel of communication and science has labeled this light a “genie”. They use a mystical term to define what they do not understand. The godless mind can observe God’s Creation, but their understanding is darkened.

*John 1:1-5*

*In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God. 3 All things were made through Him, and without Him nothing was made that was made. 4 In Him was life, and the life was the light of men. 5 And the light shines in the darkness, and the darkness did not comprehend it.*

God’s Word is Life and His Life is the light of all men. He breathed his breath of Life into Adam who was formed from the dust of the earth and God’s Word made Adam a living soul.

The lord gave me a mind vision of Adam when he was formed by God and when God breathed into Adam’s nostrils. I saw a form of a man that was dark gray in color and he was a statue lying on his back. His arms were close to his side. My view was from the right side and I could see that he was a large man maybe 7 feet tall and very strong. He looked like a body builder with bulging muscles. His had a very thick and strong chest. Then God breathed into this form and I saw brilliant golden rays of light flowing in and through the form. The golden rays of light like a fire burning filled the gray mass of his body. The whole body turned into golden rays of light. The vision ended and I knew because I knew God’s Word is the Light that I saw and He activated the trillions of cells in Adam to give Adam The LIFE of God’s Living Word. God did not fill a cavity; he created and filled every cell. Every cell in the body has its own life, whose purpose is to give life to the body. The cells of Adam were created and activated by the breath of God’s Word. God’s living Word is the Master Communicator in every cell and between every cell. His Word is Spirit and Life.

After this vision I understood the scripture that is all and fills all. I had previously asked God to explain this scripture to me because I could not understand it. I see and understand now that God’s Word in the DNA is NOT a program, and there is a POWER in the DNA that is the Divine Nature of God. The same POWER that resurrected Christ is within us. Jesus is the SECOND Adam. Because of Adam’s sin all men have the sin nature and are destined for death, but because of the second ADAM in Christ we have life eternal. Because of one man, Christ all men have a right to become a son of God. The freedom to choose life is in Christ. Where the spirit of the Lord is there is liberty.

His Word is the LIFE of all of creation and man has a special position as a son of God. We are truly His off spring. The Spirit of God holds all of creation together as His Spirit is the strong force that holds every atom in

place. God has created everything in heaven and earth and He is creation, but we worship the creator, not the created things. We have been given free will, but His divine nature is in us and we have life only because of Him. We are not free agents we serve either God the Creator, who is LOVE, or we serve the lying devil who is HATE. Many may believe the lies of satan's evolutionists, but the lies are still lies.

When I saw the gray form my natural mind questioned the color gray. However, I did not interrupt the vision because I did not understand why Adam was so gray. Later the Lord reminded me that when we are sick we look "ashen" in color and when people die they are gray in color. I then realized that the dust of the earth must have been volcanic ash, which is gray. God formed Adam from the pure dust from the earth. Because my natural mind would have never chosen to see Adam in the color of gray I am more confident that the vision I had was from the Lord who is the knower of all things.

The DNA is a living word that is the substance that God saw about you before He formed you in your mother's womb. This living word is ONE DNA and the Lord showed me that we are spirit and our flesh is only our earth suit. The flesh will return to dust. God is patient with us because he remembers we are but dust. Our spirit man is covered in flesh, which is the dust of the earth that has the LIFE of Gods Word. IN HIM, (the WORD), we live and move and have our being.

We are born again of the Spirit and this is the Temple of God. Our flesh is the earthly covering. When we receive Christ we are reconciled to God as Adam was in the Garden of Eden. When we have Christ we have the Father also. The Holy Spirit is the Spirit of Christ who will be with us FOREVER. He is our eternal life. Christ did not leave us as orphans, but gave us the HOLY SPIRIT to be with us forever. The Holy Spirit is our teacher, counselor and so much more. Study the Word to know how much more!

The human body began as ONE DNA in the womb of your mother and from that one DNA God weaved our body together. His Word is perfect and mistakes happen ONLY because we live in an imperfect world. From general inequities to nutritional deficiencies imperfections find a place in the DNA. But healing is constant and as each cell divides the RNA is perfecting and correcting. Our job is to not give destruction a place. We are to be good stewards. Our job is to give God's temple purity. God is Holy so we need to be Holy. Sin needs a place. Jesus will remove all place of sin if we obey His commandments in everything. Jesus came to save the world and deliver us from all sin. Jesus cast out demons and healed them all.

Christians need to stop being ashamed of the signs that follow them that believe from casting out demons to healing the sick. It is not about US, it is about allowing HIM to live in us. God is not mocked, man reaps what he

sows. His mercies are new every morning and healing is an act of God's mercy. I pray you will give choose to give God His place in your heart so you can receive the promise of life and life more abundantly.

The key to receiving the healing and walking in divine health is to take God's Word to heart and obey God in everything. You can't fear God and fear the bad report at the same time. Your faith in God removes all other fears and where there is fear love is not perfected. God's Perfect Love casts out all fear.

God's dietary laws are still good for protection and though there is no sin in eating the foods listed as abominable, there are natural consequences that do damage the body. Pig for example is known to be very high in fat and it does not digest well. Pig spends a lot more time in the colon. The toxic environment of pig in the colon can cause many health ailments as it could lead to inflammations as it rots in the colon. Rotting flesh will rot healthy flesh. We are simple minded to imagine God blesses everything we put into our bodies. We can pray over it, but the cellular structure does not change. Toxins are toxins and is it not testing God to take a poison knowingly. Will God change gravity just because I pray before I jump off a hundred foot building? That is what God's people are asking God to do about the food they eat.

*Deut 7:15*

*"And the LORD will take away from you all sickness, and will afflict you with none of the terrible diseases of Egypt which you have known, but will lay them on all those who hate you.*

God's people today are afflicted with terrible diseases and as I share in my book, "God is the Cure", there are natural healing modalities with wisdom that agrees with the Word of God in the care of God's Temple. I emphasize that the healing modalities only provide an environment for God's Word to heal. There is no power to heal except the creative Word of God. All Glory for all healing belongs only to God. Please do not give glory to food or modalities for healing you.

Understanding how God's heals is simple. If you cut your hand, healing is not a question, nor do you doubt that healing will take place. The DNA will begin to create new cells, new tissue and in just the right amount and form. God's cells are all stem cells because your complete DNA is in every cell. God decides what each cell will become and how it will divide. God is the Master Director of your life and only He can dictate to each cell what it will become. God's Word is the only stem that gives life. Man imagines he can take a cell that God created and make it become something different than what God originally designed. Stem cell research is ONLY cannibalism. The DNA of another person does not communicate with your DNA. That is why

**all organ transplants are rejected. Those who do survive organ transplants have to take immune suppressants to keep the immune system from attacking the new organ.**

**I don't believe we can manipulate God's Word in the natural without getting into witchcraft and self-destruction. Using drugs to block symptoms is what the Egyptians used which is sorcery/witchcraft. God has given us the leaves for our healing; it is lack of knowledge that allows death and destruction to have a place.**

### **Your Spirit Man is the DNA of God's Word about You**

**The DNA of every cell is a replica of the ONE DNA of your spirit man. I came to understand this when I was pondering God's Word and the DNA. I asked the Lord, "Why do amputees feel the missing limbs". The Lord's reply was, "The DNA is whole". I saw a body with a missing limb, but then I could see the spirit of the man (his DNA) and his spirit did not have a missing limb. The flesh is the only way we connect to the natural world. The spirit of man feels, but it cannot be in this natural world without the body. I believe we feel the spirit like we feel the flesh. The spirit may reach for something, but without the flesh there is no contact in the natural. The spiritual man is far beyond the mental realm of the natural mind. It is not made up of 100 trillion cells like a body, but ONE DNA. The ONE DNA is seen in every cell of our natural body.**

**Your spirit man had to learn how to operate within the earth suit. God saw us before the foundation of the world and when God breathed us into life in our mother's womb, God weaved us into a baby. The DNA is where the spirit meets the flesh. Our flesh is not who we are, but our flesh is God's Temple on earth and we should present our bodies as our Holy Sacrifice of praise. Our bodies are not ours to pollute and destroy with self-destructive life styles. We have been bought with a price. It is our choice to either walk by the Spirit of God or walk by the carnal mind and flesh. The Spirit gives life and the flesh leads to death.**

**Paul when taken up to the third heaven he said, "I did not know if I was in the body or out of the body".**

**God's Word gives us wisdom how to recognize which part is ruling us. If we are led by the Spirit of God, we will not fulfill the lusts of the flesh. Learning how to walk in the spirit is the most important thing you can learn after you are saved. Dying to the desires of flesh is our cross to bear. Not disease and suffering because of disobedience.**

**In summary, your DNA is your God breathed spirit, the substance that God saw before He formed you in your mother's womb and you are not a program. You are spirit and live in a flesh body. The cells of your body**

**have a replica of YOU and that word is in most all of your cells is the Life of God's word and His Life is the Light of all men. In God's Word we live and move and have our being.**

**God is NOT behind stem cell research, adult stem cell research, abortion, Human Genome project and other projects that claim to be looking for the Cure. God is the Cure and all we have to do is acknowledge God and He will make our paths straight. God's Scientists are not ashamed of God and will pursue the Wisdom and knowledge that is hidden in Christ Jesus.**

**We have been given the MIND OF CHRIST. The mind of Christ is 10 times greater than the wisdom of the world. God uses 100% of our brain. The unbelievers are limited to the 10%, because they reject the truth of God's Word. They receive a delusion so they will believe a lie by God Himself. BECAUSE they rejected the TRUTH.**

**In Christ Jesus are hidden all of the treasures of wisdom and knowledge.**

## APPENDIX

### **FDA CAM Guidance is a Set Up for Codex Compliance! Submit Your Comments During Extended Comment Period!**

**Bottom Line:  
You still have time to submit your comments to  
the FDA to tell them to leave  
Complementary and Alternative Modalities (CAM)  
alone.**

The Natural Solutions Foundation's request for an extension of the Public Comment period has been granted and we have until May 29, 2007 to let the FDA know in no uncertain terms that what they are proposing is simply not acceptable to us! We, the People are not having it!

The CAM Guidance, which Dr. Ron Paul (R-TX) calls "an abuse of FDA power", is poised to turn all natural health practices into treatments that only licensed physicians can perform (by defining CAM as "Complementary and Alternative Medicine") and turn all items and substances used with with the intent to produce healthful effects into untested medical devices and drugs (overriding and rendering protective laws like DSHEA\* irrelevant - long an FDA goal). By the way, as a physician, let me point out that when doctors use CAM procedures instead of drugs, they frequently are "disciplined" by the pharma-dominated State Medical Boards and often lose their licenses for it! Here is the link for you to use to let the FDA know that you value your health freedom:

### **FDA on Steroids**

Equally important, tell the House of Representatives to protect your health from the dangerous of a "REVITALIZED" FDA as

legislated into existence by Senator Kennedy's ill advised and dangerous legislation S. 1082, the FDA Revitalization Act of 2007. Passed by the Congress on May 9 with no public comment and precious little Senate debate, this bill makes and already corrupt and dangerous federal agency even more corrupt and dangerous. Only the House of Representatives stands between the havoc which an even more drug-company friendly FDA, even more dependant on rushing drugs to market despite their clear dangers. Just look at the deaths and suffering causes by Vioxx (now approved for use in children!) , Avienda, Zyprexa, Baycol, etc., etc., to see how bad it is now. Look at the deaths caused by Gardasil the "safe" vaccine for children and girls to "protect" them from HPV-related cervical cancer.

Now imagine what a "Revitalized" -- read "even more out of control, industry subservient" -- FDA will mean to you and your loved ones. Properly used drugs are already the leading cause of death in the industrialized world. Imaging what happens when the FDA is even more out of control, even more dependent on drug company "User fees" and under even more industry pressure to release more drugs to the public with even less safety testing AND takes on the role of a private drug company as well .

## **Natural Solutions Foundation 'Tells It Like It Is'**

The Natural Solutions Foundation ([www.HealthFreedomUSA.org](http://www.HealthFreedomUSA.org)) is a world leader in protecting health and health freedom. We tell you the truth no matter whose propaganda it hurts, no matter whose oxen are gored! The owners of those oxen, so to speak, quite naturally do not like what we have to say. Using all of their usual tools (disinformation, smear, innuendo and hacking, for example), the "ox-keepers" keep trying to make us disappear. You are too smart for them and we are too persistent. Consider the inconvenient truth revealed in the Codex Video on our home page, "Nutricide". You can purchase the DVD, too.

Our site, [www.HealthFreedomUSA.org](http://www.HealthFreedomUSA.org), and our action campaigns are interfered with so regularly now that I don't mention it every time it happens any more. Each time we get it really right, our links and/or our site "suddenly" develops massive problems. Hundreds and hundreds of people write to me to say that the links they are trying to use are not working. We repair them. Second verse, same as the first.

We take it as a complement, of course. Sites on new patterns for afghan throws or goulash recipes don't run into this sort of problem! (I love goulash, by the way).

## **Plan B: the Activist's Friend**

That's why we have created our "Plan B". An astonishing 190,305 people have submitted their comments through our site. But another 262,572 people could not do so because of the "hacking and attacking" going on. **Any time you cannot submit a comment or take an action through our site, simply send me an email with "SUBMIT" in the subject line and your full name and address in the body of the email.** Remember your name and address or we cannot take the action you are requesting. Send me an email if the links are not working and we will do the submission for you. It's just one of the ways that the Natural Solutions Foundation supports your voice and your participation in this decision-making process. In this case, make the subject read "SUBMIT-CAM". My email is [dr.laibow@gmail.com](mailto:dr.laibow@gmail.com).

## **FDA Guidance on CAM Regulation A Set Up for Codex Compliance**

The "FDA Guidance on CAM Regulation " is a preparation for Codex implementation. Codex, a Big Pharma initiative right from the start, wants to kill competition (that means ALL natural medicine techniques and products including supplements, herbs, healthy foods and nutrition, and so on) with utter disregard for the lives and well-being of people.

The FDA Office of Policy and Planning (very highly placed in the FDA hierarchy, by the way) has taken the time and effort to misstate, extend and distort the law setting up the most draconian interpretation of how to restrict CAM -- read pharmaceutical free -- treatments and therapies. They did not do this just to pass the time of day. We believe that they are setting up natural health

treatments and products for "enforcement" activities to drive them out of existence, leaving the field free for drug companies to make a killing while they kill us.

If you are one of the nearly 200,000 people who has submitted your comments to the FDA, thanks! If not, please do it NOW! Our extension runs only until May 29, 2007 so time is running out to make sure the FDA hears us loud and clear. Remember, the last time Americans got this angry, instead of taking away our rights to use dietary supplements, as Congress was in the process of doing, our voices were so loud that Congress passed DSHEA\* by unanimous Congressional Consent!

I have a favor to ask of you: Can you commit to helping 10 more people to submit their comments, too? Simply ride the freedom mouse, send the links in this email to your contacts and tell them in your own words how urgent this matter is.

## **2/3 of Americans Think they Have the Right to Control their Health.**

### **Big FDA/Pharma Disagrees**

What do 2/3 of Americans do? Whether they also take drugs or not, two hundred million Americans use CAM treatments and therapies according to sources like the New England Journal of Medicine. My estimate is that for every dollar spent on the Wellness Industry, including last year's \$25 Billion supplement bill, approximately \$20 does not flow into the coffers of the illness industry. That's a lot of missing dollars!

Big Pharma has enough resources to buy Congress, control the FDA, spend 4 billion dollars last year on Direct to Consumer advertising, 16 billion dollars on direct to doctor advertising, etc. They are clearly not at all happy about their lost income. Some people never have enough money or enough control. Big Pharma is acting like that kind of person. But it has the power to kill you while it's garnering its control.

What do the drug companies want to do about this lost cash?  
Smash, totally eliminate, literally kill the most powerful competitor  
for treatment dollars this side of clean, unadulterated food! And  
the FDA is their hip-pocket play toy.
