

# **GOD'S WORD IS THE CURE FOR CANCER**

**By Ellen Diann Messer**

**Are there Cancer Cures?** Yes, cancer cures have always been with us. **Are there doctors seeing cancer cured who are using natural and safe modalities?** Yes, but they cannot openly tell a cancer patient that a natural and safe and inexpensive modality will cure cancer. They can treat a patient with natural modalities, but they cannot say they are treating the cancer. If they do they will be arrested for being a quack, even when ALL of their patients give testimony of being cured. It has happened over and over. The laws that attack doctors for curing cancer naturally are protecting BIG BUSINESS of the drug companies; however, the people are not being protected. Science suppresses research by using the term, "insufficient evidence". How can man's science be believed over results? Satan is a master of lies and confusion. The "double-blind" studies are so confusing they prove toxic drugs are safe? Then why are people dying by the thousands from prescribed drugs? People are so confused and blinded by all of the boasting and the false signs and wonders of research, they don't complain when hundred of thousands are killed by properly prescribed drugs each year? The antichrist spirit of evolution has successfully taken over science and God's people are destroyed because of lack of knowledge!

There are good doctors who have clinics in the US that will detoxify and feed your cells, but they cannot say they cure cancer. Besides, it is not true that they cure cancer. It is not true that the medicine, food or anything cures cancer. The safe and natural treatments remove the CAUSE of cancer and then God's heals the body. ONLY GODS WORD HEALS. That truth is too simple for science because evolutionary science rejects God and His wisdom. The body also does not heal itself. The body is not the god that heals all of your diseases.

Medical science does not KNOW why or how you get cancer, yet they have toxic, cancer causing, and deadly therapies to sell. I don't fear cancer, and I am confident that I never will have cancer. But I do fear drugs and believe these toxic drugs cause cancer too. The medical profession wants to remove the cancer from the body, but the modalities are more deadly than the cancer!

Why not incorporate natural healing along with drugs? Because there is NO PROFIT in teaching people how to get eat to get well, and plus they will remain well. DRUGS make money, natural healing will destroy the drug business! Because people are lazy and self indulgent, the drug companies get away with their false signs and wonders that do more harm than good. Many people want someone to fix them after they self-destruct with over indulgence and/or lack of knowledge. But there are no cures for those who will not submit to the wisdom that has a promise of life and life more abundantly. You can't fix what you keep breaking.

God's Words says. "God's people are destroyed because of lack of knowledge." Is man the liar, or is God the liar? Disease is the result of "disobedience" according to God's Word. Disobedience in the care and feeding of the body, God's temple, brings death and destruction.

**1 Cor 6:19-20**

**Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own?  
For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's.**

This may seem foolish to the "science" that rejects God, but simplicity is God's Way. To confound the wise with the simple.

**1 Cor 1:27-31**

**But God has chosen the foolish things of the world to put to shame the wise, and God has chosen the weak things of the world to put to shame the things which are mighty;  
and the base things of the world and the things which are despised God has chosen, and the things which are not, to bring to nothing the things that are, that no flesh should glory in His presence.  
But of Him you are in Christ Jesus, who became for us wisdom from God -- and righteousness and sanctification and redemption--  
that, as it is written, "He who glories, let him glory in the Lord."**

Science fails to acknowledge God and robs God of his glory. This should not be so! Christians should not be worshipping the staff with the snake as in the days of Moses. Healing comes from the Lord and all glory belongs to Him.

It makes me sad to see the many sick Christians who WILL NOT trust God with their health matters. They will only go to the Egyptian sorcerers and are convinced that God gave us sorcery for medicine. When they are sick, they want to be babied and told they are victims, instead of acknowledging the sins that are allowing the disease. They want a "magic" pill to fix what their lack of knowledge destroyed. I had to experience a tragic family cancer to become motivated enough to use my own mind to search out cancer alternatives. I did not even know that there were alternatives, but when learned about alternatives, I did not turn my nose up and refuse to learn about them. I wanted to know about them before I made a judgment. I prayed and asked God for Wisdom to NOT allow me to be deceived.

If you seek truth, you don't fear knowledge. A lying spirit fears truth and gets angry when it hears truth. A lying spirit scoffs instead of searching out a thing. I have talked to many "good" doctors and patients and I have witnessed people overcoming the so-called incurables. I live what I learned and I KNOW cancer has **NO PLACE** in my body to kill, steal and destroy. We give satan **a place** through habitual sins as well as "lack of knowledge".

Natural Cures are available, but evolutionary scientists call the natural cures quackery and angrily attacks those who do not practice evolutionary sorcery. The evolutionists use fear to control the masses with constant bad reports and now a whole nation chases

either prostate or breast cancer, believing their only hope is to catch it early. God has not given us a SPIRIT of FEAR. Fear is a SPIRIT!

I don't chase cancer and I do NOT use radiation tests that can give a **PLACE** for cancer. I practice the KNOWLEDGE of feeding and cleaning cells and I experience divine health. ONLY God's Word Heals, and His Word is why we live, and move, and have our being. Our bodies require nutrients for building healthy cells, NOT DRUGS. We do not have drug deficiencies! There are no magic healing drugs and foods do not heal either. However, our bodies require a clean and well-nourished environment that will allow God's Word in our DNA to communicate healing. Toxins, drugs, filth, non foods, chemicals block normal cellular communication which create inflammation that can destroy tissue. Drugs only MASK or block symptoms, plus they create new symptoms because they are toxic and do not belong in the body. We reap destruction sowing drugs into the body.

I believe there is a place for drugs when wisdom is used. Trauma accidents and in a health crisis there is a time drugs are useful in pain and crisis management. But drugs cannot build up healthy cells. Cleaning and nourishing the cells eliminates the toxins and inflammation that create the health crisis. After God heals there is NO PAIN and then there is no need to take organ-destroying drugs for a lifetime. Common sense about taking toxic drugs have been perverted by drug pushing companies.

God is the only power that heals and we need to use the wisdom and the common sense that God's Word gives us. If you follow God's Wisdom about eating in the Bible it will NOT HARM YOU! God is not a liar, man is the liar. God's Word tells us to NOT destroy our bodies because we are the temple of the Holy Spirit. We have a duty to God to present our bodies as a Holy sacrifice of worship to God. There is no sacrifice in self-destructive habits. It is a sacrifice of worship to not eat that addictive chemical filled food that is killing you.

If you become sick, why not submit to God FIRST? Why not ask GOD first what is wrong and expect Him to lead you. Why not try the safe and natural wisdom? It is common sense to clean a wound, so it will heal. Toxins interfere with cellular communication and cause INFLAMMATION. Isn't it also necessary to keep the inside of the body CLEAN? All disease has "inflammation" and it is common sense that cleansing promotes a healing environment. Continuously pushing drugs at a problem is not common sense. Adding more drugs to deal with the side effects of drugs is insanity.

If we walk by the flesh we will reap destruction, if we walk by the spirit we will reap life. Is the body of Christ reaping destruction or life in health matters? The body of Christ looks just like the world because they seek the world for their health answers. There are many Christian Doctors who are seeing God heal the so-called incurables. Why do Christians run in fear to the sorcerers? Why don't Christians read the Christian doctor's books and act on the knowledge? I believe Christians are bound by fear and are waiting for someone to prove to the sorcerers that God heals. The sorcerers do not allow Godly wisdom in research or cancer treatments. They will never change because of the profits. We will never hear drug companies tell us to eat God's Food instead of buying

their drugs. We will never hear cancer research admit there are natural and safe cancer cures. They receive money for searching for a cure, not finding a cure.

I am not making these claims based on opinions, but on 19 years of personal investigation that have led me to the simple truth that God is the Cure and that God is the God of the DNA. We are stewards of the body. Medical intervention is for crisis management, but it has turned into disease management without sharing knowledge about how to stop the self-destructive habits. Medicine is profitable ONLY to the drug companies, and the rest of the people become victims of the evil that comes from the "love of money". The love of money is the root of all evil. Even doctors die earlier than normal because of their lack of knowledge.
